Puppy Bill of Sale

Date _____

I, _____ (Seller), received the sum of \$ _____ (\$ _____ deposit was already paid) from _____ (Buyer) to fulfill the \$ _____ payment for () purebred Portuguese Water Dog puppy, AKC limited registration (meaning the puppy is fully registered through AKC, but his/her offspring are not AKC registerable), the first vaccination and puppy dewormer. The buyer has the option to return the puppy for a full refund within 3 business days if taken to the veterinarian and said puppy is deemed unhealthy. Each puppy comes with a 2-year health guarantee, which guards against any genetic diseases. Any genetic diseases must be documented by two separate veterinarians. If needed, we will replace your puppy. The buyer agrees to spay or neuter their puppy by 24 months of age, keep vaccinations and prevention medicines up to date, and to provide a healthy and happy home for the puppy: high quality food, fresh water, shelter, exercise and plenty of affection. If for any reason the buyer is unable to keep their Portuguese Water Dog, the dog will not go to a shelter or unapproved home, and will be surrendered freely to Rogue River PWD so we can be sure the dog is placed in an approved healthy loving home.
